

## Bear Mountain Bridge: East to West

### Fast and Fabulous Cycling Club

#### Why do this ride and what you're in for:

course is plenty hilly, but here's one that goes out of its way to put you on hilly back roads with plenty of scenery, like the aptly-named Mount Airy Road. Don't say you weren't warned.

The section in BLUE substitutes for continuing on Route 9W through the strip mall hell that is Haverstraw.
